The image displays a collection of red ceramic tableware items with a bead-rimmed detail. The items are arranged in three rows, each with a horizontal line below it. The first row shows a soup/pasta plate and a salad plate. The second row shows three bowls of different sizes. The third row shows a three-tiered centerpiece and an oval platter. Each item is accompanied by its name in English and Portuguese, dimensions, and a small color swatch.

**PEARL RUBI** Inspired by the bead-rimmed details of 18<sup>th</sup> and 19<sup>th</sup> centuries European's ceramics, PEARL RUBI instantly captures the magical feeling of our favourite celebrations, adding an extra festive air to the cosy gathering with family and friends.
