Na SPAL pretendemos estabelecer um diálogo profissional e informado com os nossos parceiros de negócio. Reforçamos por isso, a cada dia, o nosso serviço ao cliente, demonstrando sempre a nossa disponibilidade para avaliar em conjunto, a melhor solução para cada caso.

At SPAL we aim to foster a professional dialogue with our business partners. Therefore we reinforce our client's service daily, always anticipating our availability to evaluate together the adequate solution to each scenario.

En SPAL pretendemos establecer un diálogo profesional e informado con nuestros socios de negocio. Reforzando por eso, a cada día, nuestro servicio al cliente, expresando siempre nuestra disponibilidad para evaluar en conjunto, la mejor solución para cada caso.

Chez SPAL, notre détermination est d'établir un dialogue professionnel et éclairci avec nos partenaires de négoce. Ainsi, nous renforçons, à chaque jour, notre service au client, mettant en évidence notre disponibilité pour évaluer ensemble la meilleure solution pour chaque situation.

UMA VERDADEIRA "ONE-STOP-SHOP"

A SPAL reúne competências internas para o desenvolvimento integral de qualquer projecto. Para além das unidades industriais, das quais faz parte uma unidade exclusivamente dedicada à produção de decalque, a SPAL conta com o SPAL Studio, o gabinete de design interno.

Integra ainda na sua estrutura o Departamento de Modelação, através do qual é possível reforçar a sua flexibilidade face às exigências do mercado.

Paralelamente aos desenvolvimentos internos, reúne no seu portfolio criações dos mais conceituados designers internacionais como Stefanie Hering, David Queensberry, Martin Hunt, Gerald Gullota, Mary Lou Goertzen, Rosaria Rattin, Jack Prince, entre outros.

Cada projecto começa invariavelmente na informação recolhida junto de cada cliente, a partir da qual é desenvolvida a solução criativa que melhor se enquadra na respectiva estratégia de mercado.

Este modelo de trabalho tem sido reconhecido pelas mais conceituadas marcas internacionais nos segmentos doméstico e hotelaria. Neste último a SPAL orgulha-se de estar presente em locais como o Grupo Pestana Hotels and Resorts, DoubleTree by Hilton Hotel Lisbon - Fontana Park, Grupo Vila Galé, Quinta do Lorde, Porto Bay Hotels and Resorts, Hotel Teatro, Thema Hotels and Resorts, Royal Óbidos, Plaza Athénée em Paris, RIU Hotéis e Resorts, etc.

Orgulha-se ainda de constituir a escolha de talentosos Chefs internacionalmente reconhecidos.

A TRUE "ONE-STOP-SHOP"

SPAL has all internal competences which allow developing any project from A to Z. Along with its industrial facilities, which include a fully dedicated decal production unit, SPAL also counts on SPAL Studio, the internal design department.

Also the Moulding Department brings the company great flexibility to different market needs.

Across SPAL portfolio, along with its in-house creations, we find Stefanie Hering, David Queensberry, Martin Hunt, Gerald Gullota, Mary Lou Goertzen, Rosaria Rattin, Jack Prince, among many others renowned designers.

Starting off with the information gathered from our clients, we always aim to produce the creative solution that better meets the requirements of each brand.

This methodology has through the years been recognized by prestigious international brands with whom SPAL has been fortunate to establish a long and consistent background – both home and hotel segments. For the hotelware industry SPAL is proud to be showing in places such as Pestana Hotels and Resorts Group, DoubleTree by Hilton Hotel Lisbon - Fontana Park, Vila Galé Group, Quinta do Lorde, Porto Bay Hotels and Resorts, Teatro Hotel, Thema Hotels and Resorts, Royal Óbidos, Plaza Athénée at Paris, RIU Hotels and Resorts, etc.

SPAL is also very proud to be chosen by talented internationally recognized Chefs.

UNA VERDADERA "ONE-STOP-SHOP"

SPAL reúne todas las competencias internas para el desarrollo integral de cualquier proyecto. Además de las unidades industriales, de las cuales hace parte una unidad exclusivamente dedicada a la producción de calcas, SPAL cuenta con SPAL Studio, el departamento de diseño interno.

Integra aún en su estructura el departamento de Modelación, a través del cual es posible reforzar a su flexibilidad de cara a las exigencias del mercado.

Paralelamente a los desarrollos internos, reúne en su portfolio creaciones de los diseñadores internacionales más conocidos como Stefanie Hering, David Queensberry, Martin Hunt, Gerald Gullota, Mary Lou Goertzen, Rosaria Rattin, Jack Prince, entre otros.

Cada proyecto empieza invariablemente en la información recogida junto de cada cliente, a partir de la cual es desarrollada la solución creativa que mejor se encuadra en la respectiva estrategia de mercado.

Este modelo de trabajo ha sido reconocido por las más conceptuadas marcas internacionales, con las cuales SPAL ha mantenido un largo y sólido histórico de relación, en los segmentos de hogar y hostelería. En este último SPAL se enorgullece de estar presente en establecimientos como la cadena del Grupo Pestana Hotels and Resorts, DoubleTree by Hilton Hotel Lisbon - Fontana Park, Grupo Vila Galé, Quinta do Lorde, Porto Bay Hotels and Resorts, Hotel Teatro, Thema Hotels and Resorts, Royal Óbidos, Plaza Athénée en Paris, RIU Hotéis e Resorts, etc.

SPAL está también orgullosa de constituir la elección de talentosos Chefs internacionales.

UNE VÉRITABLE "ONE-STOP-SHOP"

SPAL réuni des compétences internes pour le développement intégral de n'importe quel projet. Au-delà des unités industrielles, desquelles fait part une unité exclusivement dédiée à la production de chromos, SPAL peut compter avec SPAL Studio, un bureau de design interne.

Intègre aussi dans sa structure un Département de Modelage, ce qui permet renforcer sa flexibilité face aux exigences du marché.

Parallèlement aux développements internes, réuni dans son portefeuille créations des designers internationaux les plus renommés comme Stefanie Hering, David Queensberry, Martin Hunt, Gerald Gullota, Mary Lou Goertzen, Rosaria Rattin, Jack Prince, d'entre autres.

Chaque projet commence, invariablement, avec l'information recueillie auprès de chaque client, à partir de laquelle est développée la solution créative qui correspond le mieux à sa stratégie de marché/marketing.

Ce modèle de travail a été reconnu par les marques internationales les plus respectées, avec lesquelles SPAL maintient un long et solide historique de partenariat, dans les segments maison et hôtellerie. Dans ce dernier, SPAL est fière d'être présente en hôtels appartenant à Grupo Pestana Hotels and Resorts, DoubleTree by Hilton Hotel Lisbon - Fontana Park, Grupo Vila Galé, Quinta do Lorde, Porto Bay Hotels and Resorts, Hotel Teatro, Thema Hotels and Resorts, Royal Óbidos, Plaza Athénée à Paris, RIU Hotéis e Resorts, etc..

Nous sommes encore très fiers d'être le choix de talentueux Chefs connus internationalement.

Seleção de matérias-primas

Cerca de 50% das matérias-primas são caulinos. Destes, a sua maioria provem do Reino Unido, Famoso pela sua qualidade, elevado desempenho e brancura. Em volumes menores, feldspato e sílica. O vidro, aplicado na superfície das peças, é também combinado a fim de conseguir a brancura, translucidez e a dureza características da nossa porcelana.

Permanente investigação e desenvolvimento

A multidisciplinaridade que fomentamos, permite-nos trocar experiências com diferentes áreas sejam do desenvolvimento tecnológico, de materiais ou mesmo acompanhamento de tendências de mercado.

Escolha cuidada

Para uma escolha rigorosa, todos os produtos passam pelo menos duas fases de verificação ao longo do processo industrial.

Forma e função equilibradas para garantir melhor desempenho

Num ambiente profissional sabemos que forma e função são igualmente relevantes. Por isso valorizamos o contributo do design para que nenhum pormenor seja subestimado.

Propomos um produto versátil de modo a garantir a melhor adequação a diferentes ambientes, sem comprometer a sua vocação para o segmento hoteleiro.

Tecnologia avançada

A SPAL utiliza as mais avançadas tecnologias, disponíveis no mercado, quer ao nível da conformação - com utilização da Prensagem Isostática e E.S.P. (Enchimento Sobre Pressão) - quer ao nível do processo de cozedura, fazendo uso de fornos de ciclos de cozedura rápida e baixa massa térmica.

Deste modo é possível conferir maior consistência a cada ciclo produtivo por um maior período de tempo.

Finest raw materials

Over than 50% of the kaolin used at SPAL comes from the UK, renowned for its quality and high performance. In smaller volumes, feldspar, silica and clay are also combined in order to achieve the whiteness, translucency and toughness of SPAL porcelain.

Permanent research and development

Our multidisciplinary structure allows us to exchange experiences with different areas, related to technological development, to materials or to keeping up with market trends.

Accurate selection

For accurate selection, all products face at least two stages of verification through the industrial process.

Balancing shape and function to ensure the best possible performance

We are aware that in a professional environment shape and function are equally relevant. They are therefore conceived as a whole so that no detail is underestimated.

SPAL features a versatile product that proves adequate to different environments, without compromising its vocation for the hotel and catering industry.

Advanced technology

SPAL uses state of the art technology through isostatic pressure, pressure casting and fast fire kilns, achieving maximum consistency through each product line.

Las Mejores Materias Primas

Más de un 50 % del caolín utilizado por SPAL procede del Reino Unido, un material famoso por su calidad y por su elevado rendimiento. En volúmenes menores, también procedemos a la combinación de feldespato, sílice y arcilla, para alcanzar la blancura, la translucidez y la resistencia de la porcelana SPAL.

Investigación Y Desarrollo Permanente De Los Productos

Nuestra estructura multidisciplinaria nos permite intercambiar experiencias con diferentes áreas relacionadas con el desarrollo tecnológico y de los materiales, o estar al tanto de las tendencias del mercado.

Selección Rigurosa

Con el fin de efectuar una selección rigurosa, todos los productos son sometidos, como mínimo, a dos etapas de verificación a lo largo del proceso industrial.

Forma Y Función Equilibrada Para Garantizar El Mejor Rendimiento

Somos conscientes de que, en un ambiente profesional, tanto la forma como la funcionalidad son igualmente importantes y, por ello, nuestras piezas han sido concebidas como un todo en el que no se ha subestimado ningún detalle. Así, proponemos a nuestros clientes una gama de productos versátiles que demuestran su idoneidad de uso en distintos entornos, sin dejar de lado su orientación hacia el sector de la hostelería.

Tecnología Avanzada

SPAL emplea una tecnología de última generación - mediante prensas isostáticas, colage bajo presión y hornos de cocción rápida - que permite lograr la máxima consistencia para cada línea de productos y que confiere estabilidad dimensional a las piezas.

(1) Cumple tanto las normas Europeas (EN 15284) como las Estadounidenses (ASTM C 1607-06).
 (2) Cumple la norma Inglesa BSI - PAS 54:2003. Análisis internos de laboratorio con las normas Europeas (EN 12980) y las Estadounidenses (ASTM C 368-88).
 (3) Normas definidas por análisis internos de laboratorio | ausencia de normas internacionales aplicables.
 (4) Cumple tanto las normas Europeas (EN 15284) como las Estadounidenses (ASTM C 554-93).
 (5) Tanto en las colecciones en blanco como con estampados en esmalte, cumplen las normas Europeas (EN 12875-4).
 (6) Cumple tanto las normas de ASTM C 738-94, FDA, Proposición 65 y Ley 2005/31/CE.

Des matières premières de qualité

Environ 50% du kaolin utilisé par SPAL provient du Royaume-Uni et est réputé pour sa qualité et sa haute performance. De petites quantités de feldspath, de silice et d'argile sont ajoutées afin d'apporter blancheur, translucidité et résistance à la porcelaine SPAL.

Une démarche permanente de recherche et développement de produit

Notre structure multidisciplinaire permet un échange permanent d'expériences entre les différents secteurs, en ce qui concerne le développement technologique, les matières ou l'évolution des tendances du marché.

Une sélection rigoureuse

Afin de garantir une sélection rigoureuse, tous les produits finis sont soumis à deux étapes de vérification au cours du processus industriel de fabrication.

Le juste équilibre entre la forme et la fonction pour une performance optimale

Nous savons que, dans un environnement professionnel, la forme et la fonction revêtent la même importance. Ils sont donc conçus comme un tout, afin qu'aucun détail ne soit sous-estimé.

Nous proposons un produit polyvalent qui s'adapte à différents environnements sans compromettre sa vocation première pour l'industrie hôtelière et la restauration.

Technologie de pointe

SPAL emploie des technologies de pointe pour le pressage isostatique, le coulage sous pression et des fours rapides, afin de conférer une uniformité optimale à chaque ligne de produits.

(1) Répond aux exigences des normes Européennes (EN 15284) et Américaines (ASTM C 1607-06).

SUITE

Design by Stefanie Hering

Suite combina um design depurado e moderno com um profundo entendimento das potencialidades da porcelana.

Suite is the result of a combination of design flair and a true understanding of how porcelain can be worked.

Suite relie un design dépuré et moderne avec une profonde connaissance des potentialités de la porcelaine.

SPAZIO

Design by SPAL Studio

Utilizando uma linguagem contemporânea, Spazio reflecte o espírito orgânico e a geometria característicos do design norte-americano da década de 50.

Unusual features and symmetry, Spazio defines itself through organic shapes and contemporary language.

Les proportions équilibrées de Spazio reflètent l'esprit organique et la géométrie bien typiques du design Nord-Américain des années 50.

Las proporciones equilibradas de Spazio reflejan el espíritu orgánico y la geometría característicos del diseño norteamericano de la década de los 50.

VOLARE

Design by SPAL Studio

Inspirado pelo design norte-americano da década de 50, a forma orgânica de Volare conduz-nos numa suave sensação de movimento.

Inspired by the 50's North-American design, Volare states a firm approach to organic and movement.

Inspiré au design nord-américain des années 50, la forme organique de Volare nous conduit à une légère sensation de mouvement.

ALL TOGETHER

Design by SPAL Studio

De arrumação simplificada pelo facto de todas as peças serem totalmente empilháveis, esta colecção de cinco peças, responde aos desafios que a cozinha contemporânea coloca. All together permite uma imensa variedade de combinações.

All Together brings a world of possibilities to hotelware and catering. It allows an immense combination of parts in order to cover surfaces. Also all of these parts are piled up, reducing to the minimum the necessary space for storage.

Stockage simplifié une fois que toutes les pièces sont entièrement empilables, cette collection de cinq pièces, répond aux défis des cuisines contemporaines. All Together permet d'innombrables combinaisons.

De almacenamiento fácil una vez que todas las piezas son totalmente apilables, esta colección de cinco piezas, responde a los retos que pone la cocina contemporánea. All together permite gran variedad de combinaciones.
